

Howell K. Thayer Chapter National Honor Society Summer Service and Extracurricular Activity Logs

Name: _____ **Advisor Teacher:** _____

Sponsored Hours: These are volunteer opportunities that the advisors or officers have either presented to you as options or requested of you for help. NHS traditionally helps at the new student BBQ.

Non-Sponsored Hours: These constitute the volunteering you do outside of NHS without compensation. Examples would be church events, mission trips, Special Olympics, etc. These are all of the hours you do without requests from the advisors or officers. You may not count hours from other extracurricular, club activities, classes or activities you are receiving compensation or academic credit. For example, Key Club hours do not count towards your NHS hours. Other non-examples would be cleaning up after a student council dance or interning for a teacher.

Members must complete a minimum of 10 hours of community service during the summer break.
